

CREATIVE DIRECTION

Insights Dashboard

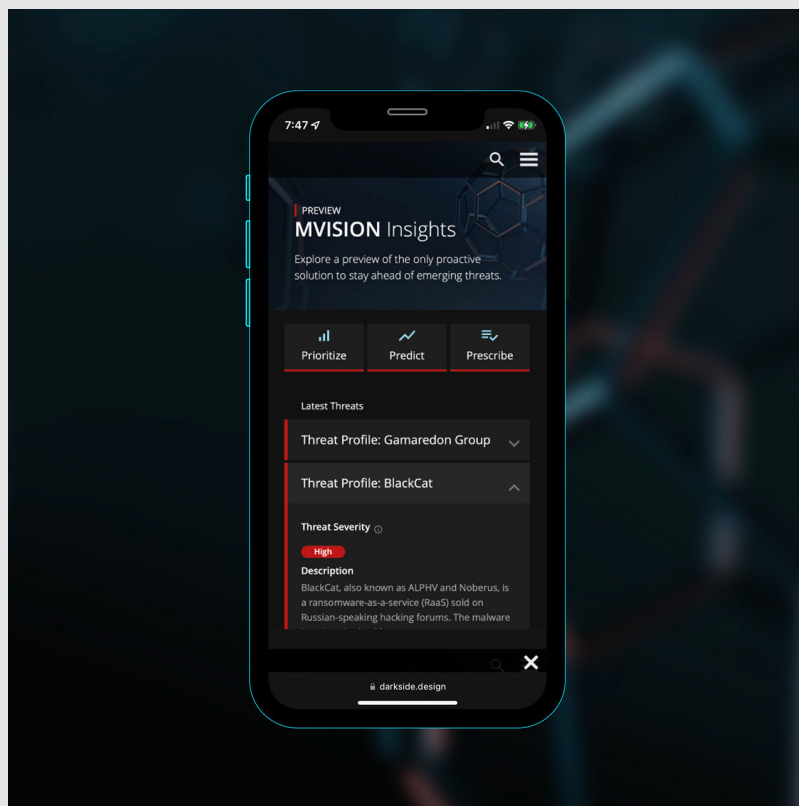

A live view of emerging threats, designed to make complex security information easier to navigate.

MY ROLE

Creative & UX Direction / McAfee DX Team

DELIVERABLES

Dashboard · Interface design

THE IDEA

Bring recent and severe threats into one live view.

SELECTED CREDITS

Creative & UX Direction x McAfee DX Team |
UI/UX Lead: Simon Lo

CONTEXT

The insights dashboard features a live data sample of the most recent top threats and several severe threats that McAfee is actively tracking.

IN THIS PROJECT

Dashboard in motion · Context & credits ·
Interface design
